Registration is open to Men and Women, with prizes for each category.

When:

Friday, March 3
(8:30 - 1:00 - 5:30)

Where:

Towne Centre Golf - Grande Prairie
#8-9845-99 Avenue

The Association of Desk and Derrick Clubs (ADDC) is an international non-profit organization.

Our **mission** is to enhance and foster a positive image of the petroleum, energy, and allied industries to the global community through education and awareness.

ADDC's **purpose** is to promote the education and professional development of individuals employed in or affiliated with the petroleum, energy, and allied industries. ADDC also offers scholarships through its energy trust.

We are dedicated to energy education and professional development. ADDC brings everyone together to build better careers, companies and communities.

WHO WE ARE

YOUR SUPPORT MATTERS

Our members are locally employed in all areas of the Petroleum and Energy Industry. Funds raised at this event will directly support our community initiatives, and the ADDC educational trust.

Tournament Sponsorships

In addition to supporting your local ADDC and Women in Energy, participation in this event will include exposure to key industry players and event participants. Sponsors company name and logo will be visible throughout the event on signage, scorecards, clubhouse TV's, tabletops and programs.

Golfer Registration

Want to join the tournament or enter a team?

Cost:

\$150.00 per Player

or

\$500.00 per Team of 4

There are a few minor differences to a indoor golf tournament due to the constraints of a Virtual Golf Facility that we think you should know:

- There are only 10 Lanes available to play
- Each lane will have a group of 4
- Rate of play is approximately 4 hours per team
- There will be 3 Shotgun Starts - (8:30am, 1:00pm, 5:30pm)
- No rain checks—no weather delays!

Like a conventional tournament, there will be food and drinks will be provided throughout the day.

Lots of Prizes, Lots of Fun!

Looking forward to seeing you at the Spring Swing in support of Women in Energy
